

ABOUT THE BREWERY

Handcrafted, Small Batch Brewed

Nestled in the heart of Muskoka, Muskoka Brewery handcrafts premium beers as unique and refreshing as the region they're from. Founders Gary McMullen and Kirk Evans kicked open the doors of Muskoka Brewery in June of 1996. Currently owned and operated by Todd Lewin and Bob MacDonald, what started as a very small and dedicated team has quickly grown to a passionate band of beer lovers more than 130 strong. In short, we have a passion for great beer and we hope you get a chance to enjoy it. Interested in learning more about our journey from our small brewery on Taylor Road to now?
